

# Harrison Road

## Speedway Boulevard to Old Spanish Trail

### Paving Improvements

---

Project Update

April 2007

No.5

---

#### Paving Update

The east side of Harrison Road, south of Broadway Boulevard will be paved on Friday, April 27<sup>th</sup>. The SW corner of Broadway Boulevard and Harrison Road will be paved the week of May 15<sup>th</sup>.

#### Traffic Change

**One way traffic will be detoured to either side of the new median on Harrison Road, north of Broadway Boulevard** to allow the landscaping to begin. Northbound traffic will be on the east side and southbound traffic will be on the west side. U-turns at median openings will be needed to reach some intersecting streets. **Two way traffic will be detoured to the east side of Harrison Road, south of Broadway Boulevard**, to prepare for the west side of Harrison Road pavement reconstruction. This traffic detour will be **in effect the weekend of April 28<sup>th</sup>**.

#### Intersection Update

The NE and SE quadrants of the Broadway Boulevard at Harrison Road intersection are complete. The SW quadrant is expected to be completed the week of May 15<sup>th</sup>. The last quadrant is expected to be completed the week of June 25<sup>th</sup>. This will finally open up the intersection with minimal traffic restrictions.

#### Sidewalks and Pedestrian Access

Sidewalks are in place on the west side of Harrison Road, north of Broadway Boulevard and on the east side of Harrison Road, south of Broadway Boulevard. We ask that pedestrians use the sidewalks when traveling through the project site.

#### Projected Construction Completion Date

The project was expected to take at least 18 months to complete (end of February 2008), weather permitting. Although we are behind schedule at the Broadway intersection, we are ahead of the overall schedule for this project. We are hopeful to be completed by December '07.

Contact **Fred Felix, TDOT Engineering Project Manager, at 791-5100** if there is an emergency or if you have concerns. Project updates will be posted regularly at [www.dot.tucsonaz.gov/projects/harrison](http://www.dot.tucsonaz.gov/projects/harrison).

Thank you for your patience as we work to provide a better community.
